**Our
Principle:**
Synergy

Our organization structure

**Our
Strength:**
Human
Capital

**Our
Management
Focus:**
Quality, Cost,
Time, Scope

Our management :

The business is driven by four working directors, collectively the accumulated more than 10 years of work experience in the building industry. They are involved in the business development, procurement, project management and administration of the company.

The management team proactively gathers feedback, identifies changes in business environment, review work processes and communicates key learning points and company policy to all staff at regular meetings.

Our people:

Our people are crucial in the delivery of our services and solution to our clients. In order to ensure that everyone is equipped with the right skill, knowledge and attitude, a comprehensive training program is put in place to constantly upgrade our people in technical and management skills.

INTRODUCTION

Our Principle:

Synergy

Building a nation through job creation. That's what **INTIMATE CONTRACTORS Ltd** is all about. Established in 2013 with the express aim of alleviating poverty and create opportunities for the disadvantaged, **INTIMATE CONTRACTORS Ltd (I-Con Ltd)** embodies the essence of pro-active owner-manager culture in Rwanda.

Our Strength:

Human Capital

Specializing in quality, cost-effective projects across a number of construction fields - building, civil, water and sanitation – **I-Con Ltd** currently operates throughout Rwanda, with a view to expanding into the rest of the continent.

Our Management

Focus: Quality, Cost, Time, Scope

From inception, **I-Con Ltd** was designed to create a system that is compatible with Government and its alliances, NGOs, and the **private sector**. Having put these structures in place, a top quality management tier was installed, and the company committed itself to a path of constant innovation.

The strength and success of the company can be measured by the experience of his owner director, top quality projects they've completed, on time, with consistent client satisfaction. **I-Con Ltd** takes pride in its teamwork, collaboration methodology, and capacity building initiatives.

Although the company is situated in Kigali, we operate as far a field as. We are always available with the necessary skills, knowledge and equipment to meet any requirement in the field of general construction, civil construction, mechanical construction and electrical engineering. Safe working conditions are a very high priority to us not only for our employees, but also for our customers.

This not only enables us to deliver a dynamic and professional service to our customers, but also gives the client the assurance that their interest is served by members and staff personally to complete projects on time and to the required quality standards

MISSION AND VISION STATEMENT

OUR PRINCIPLE: SYNERGY

The Aim of **I-Con Ltd** is to be respectable building contractor delivering beyond expectation, always

OUR STRENGTH: HUMAN CAPITAL

I-Con Ltd will continue to play a major role in infrastructure development in Rwanda. To help us achieve this aim, and grow our capacity and reach, we will be creating partnerships with further emerging contractors.

OUR MANAGEMENT FOCUS: QUALITY, COST, TIME, SCOPE

We will deliver, and enhance the black economic empowerment policy of the Government, and capacity building through skills transfer. Resources and investment will be optimized and distributed to the benefit of PDI groups.

I-Con Ltd is committed to providing total service excellence through best of class performance and efficiency. It will continue to contribute to sustainable economic growth and development and social transformation in Rwanda by using the company's procurement processes to effect the redistribution of wealth. Its dedication to the upliftment of the community is regarded as a priority that is secondary only to profit making

We endeavor at all times to provide a comprehensive service to our clients. We strive to complete projects and within budget.

We promote strict adherence to quality, health and safety standards and we adhere to labor equity and encourage harmonious personnel relationships in order to promote team work among staff.

Specialist expertise will be applied in relevant areas to ensure that standards and values are achieved.

To become a significant services company, via partnership with significant industry players.
